Everybody in Toledo knows Saxon Square, a landmark in Sylvania for many years, this prime retail/office location has unparalleled longevity for delivering success to its merchants. The center is located just off the corner of McCord Road and Sylvania Ave only 1/8 mile from the I-475/23 interchange. Saxon Square is home to 31,000 square feet of fine retail shops, unique boutiques, services and restaurants all of which enjoy this centers high unobstructed visibility and four access points to Sylvania Ave which carries over 21,800 cars per day. Saxon Square also has an 8,000 square foot second level which services small office users conveniently and affordably as well.
