The Shoppes at South Boundary is a well located neighborhood center that has had major transformations and renovations to remain vibrant for over 40 years. New retail structures, complete façade replacements, new roadside signage and landscaping are just a few of the enhancements that this center's tenants and customers are enjoying.

Located directly at "Main and Main" in Perrysburg at South Boundary Road and Louisiana Ave (State Rt. 199) this center sits at the heart of local daily activity between three schools, the YMCA and the post office. The Shoppes at South Boundary cater to the essential shopping and service needs of the dense and high income Perrysburg populations that pass by the center everyday on their way to school, work and play.
